

# W W WORTHINGTON MEMORIAL TROPHY

25<sup>TH</sup> SEPTEMBER 2010

W W WORTHINGTON MEMORIAL TROPHY 2010

The Draw will take place in the Beddoes Room in Derby Cathedral at 12.45 pm.

**The test piece will be a plain course of Pudsey Surprise Royal and as usual each team will have 30 minutes to adjust ropes, have a practice ring and complete their test piece. Prior to the test piece each team will signal the judges by 2 whole pulls of rounds on the front six.**

I have arranged with the Cathedral Authorities for car spaces to be reserved in their car park on St Michael's Lane, (about a 3 minutes walk away). However, I will need numbers in advance. Unfortunately, the cost will be £3 per car but the car park is "manned" until about 5 pm.

Derby is centrally located with good public transport links:- bus, train and plane. For non-ringers there are shops, museums and maybe a football match!

Light refreshments will be available throughout the afternoon in the Beddoes Room located in the Cathedral. More substantial refreshments are available from other commercial venues nearby.

Evensong at the Cathedral is at 5.15 pm.
